

P2 for AOS

Craig Oehley - OHL CRA001

March 24, 2024

1 Depth plots

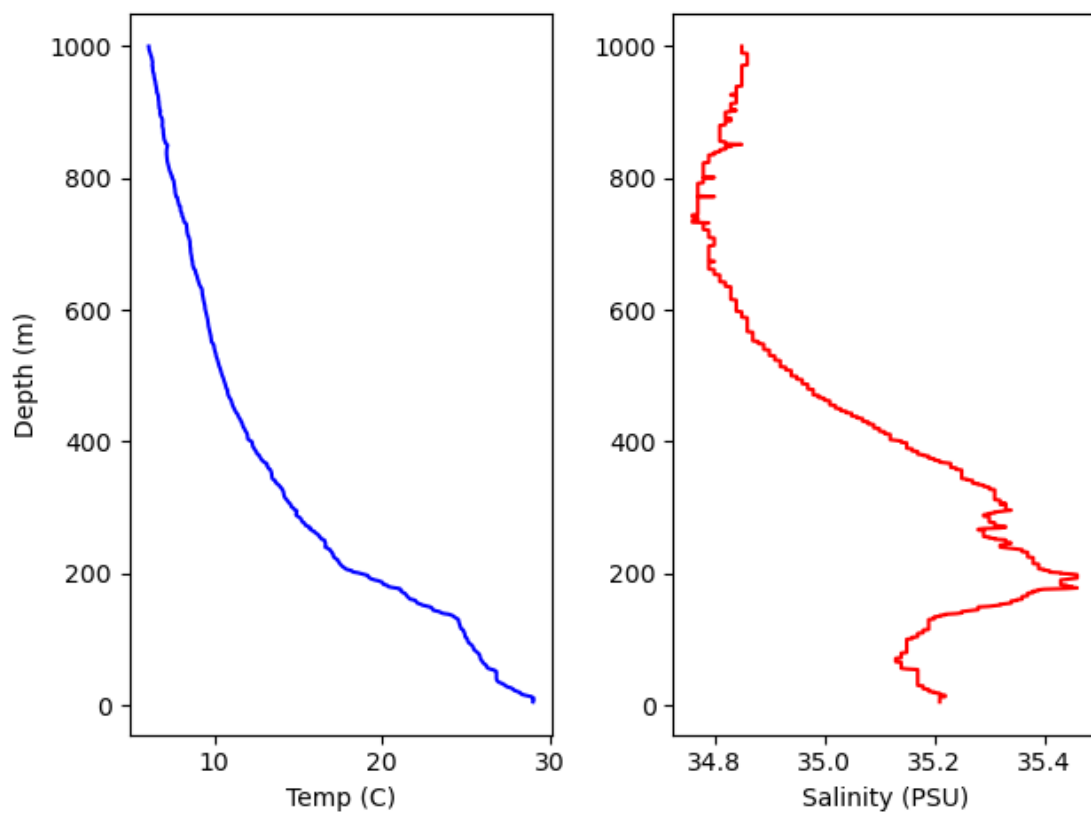

Figure 1: Depth plots of temperature and salinity

2 Timeseries

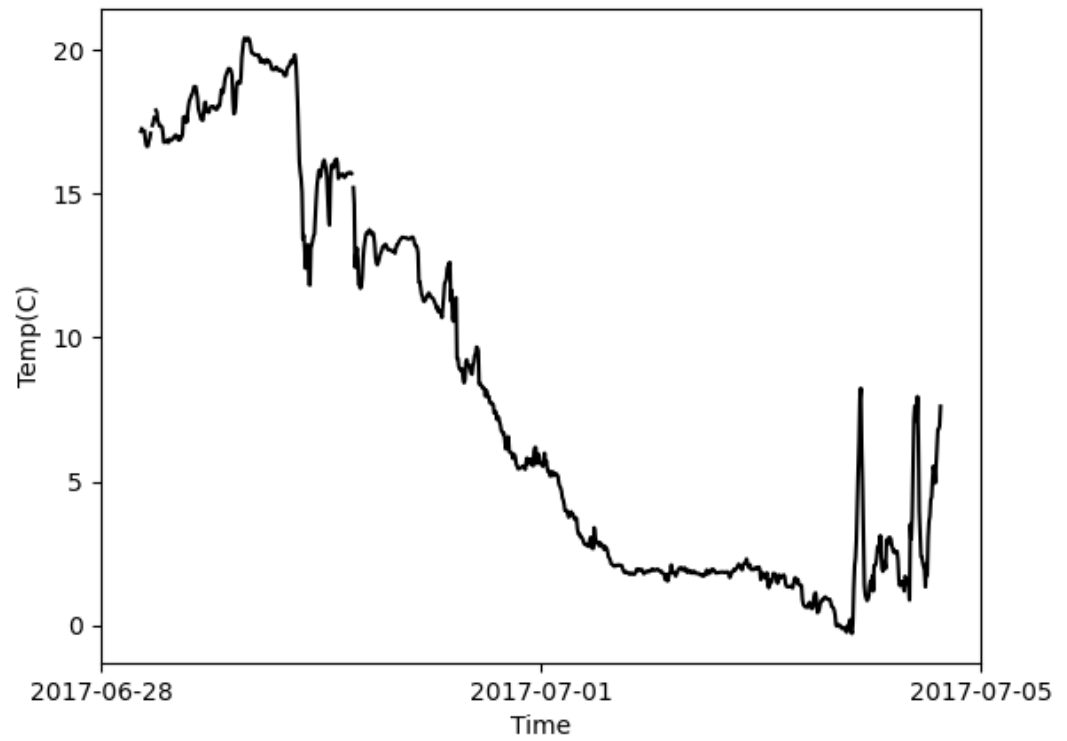

Figure 2: Timeseries data of Temperature (Celcius) until southernmost point was reached.

3 Histogram

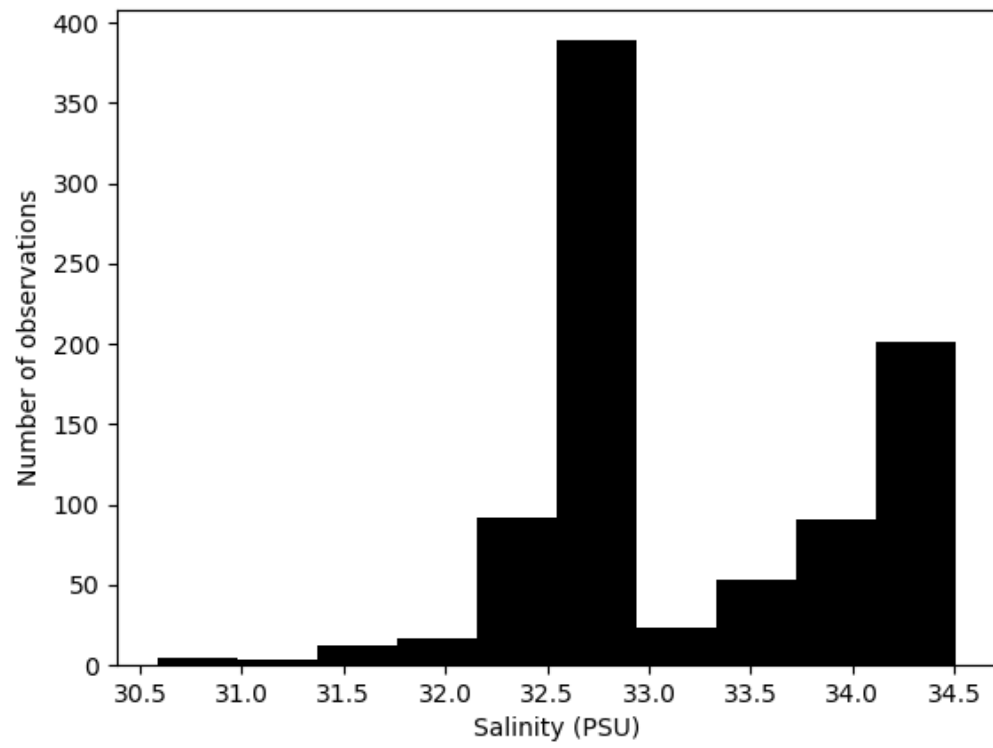

Figure 3: Frequency of salinity (PSU) levels

4 Scatterplot

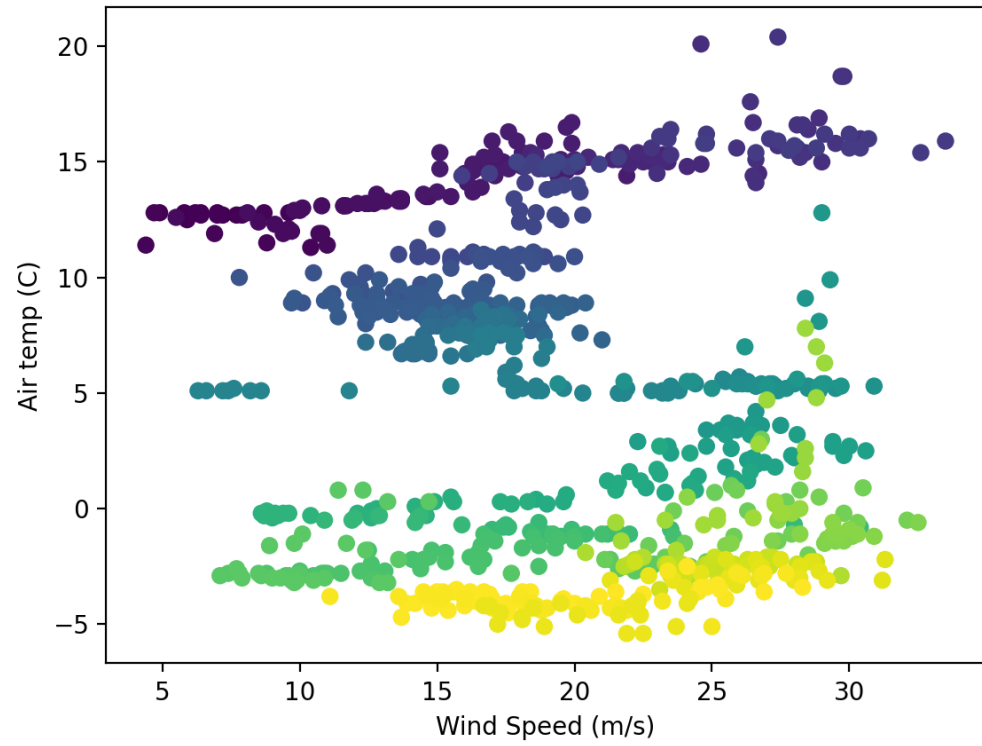

Figure 4: Scatterplot of true wind speed versus air temperature, Latitude is shown in the colour gradient
